

## A Metaphysical Interpretation of the Lord's Prayer

Our father, who art in heaven	Presence of Divine Love and Light that lives within us and within all of life,
Hallowed be thy name	We invoke the powerful creative nature of all that is sacred and holy.
Thy Kingdom Come	We embrace the healing essence that is the Kingdom of Heaven within us.
Thy Will Be Done	We accept our greatest good as we align with our Divine Nature.
On earth as it is in heaven	Knowing that the affairs of our lives reflect our evolving consciousness.
Give us this day, our daily bread	Each day, we receive great blessings from within and throughout all the activities of our lives.
And forgive us our trespasses as we forgive those who trespass against us.	We accept the Divine Nature of all things and all people, including ourselves, as we move away from judgment and toward greater awareness of Divine Presence.
And lead us not into temptation	We shall be vigilant in expressing and experiencing the Oneness with all life.
But deliver us from evil.	As we are learning to live without faultfinding and suffering.
For thine is the kingdom and the power and glory forever and ever.	For we accept the consciousness of Divine Perfection with all its power and glory right here, right now and forever.
Amen.	And so It is!
