

Here's How It Works:

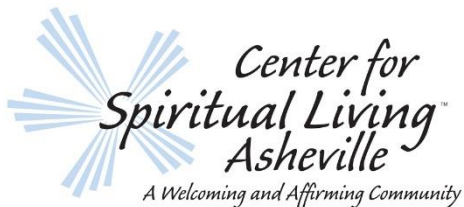

On the next panel is your Treatment for Increased Income. Begin and end each day by reading it aloud and you will set Universal Law into motion to receive your increased income.

Everyone in the program will work daily for all who wish to participate. Together, we will create wonderful demonstrations of our faith!

My Treatment For Prosperity

I, _____
(say your name)

know that God is the source of all supply and that "Money is God in Action." I know that my good is here now. I am so rich and so full that I have an abundance of money to spare and to share, today and always. I know that true Prosperity includes perfect health, perfect wealth, and perfect happiness. This word which I speak in faith knowing, now activates Universal Law, and I accept the results!

I bless all that I have now and I bless the increase. I bless all the others in the Increased Income Program of our Class and I know that we now prosper together in every way. I give thanks for this Good.

And So It Is!

Put Me On The List!

I want my name included in the Treatments for Increased Income. I will share the increase that comes to me in the form of a 10% tithe "off the top" as a gift to Center for Spiritual Living, Asheville.

I understand that "Increased Income" means income received over and above any current normal income.

INCREASED INCOME PROGRAM

A PLAN FOR PROSPEROUS LIVING

The Law of GIVING & RECEIVING
by Ernest Holmes

Everything in Nature moves in circles. What goes out must come back. Unless the seed is sown it cannot bear fruit. There must be a planting time for every harvest. Those who give all receive all. Those who refuse to give limit the possibility of the greater good returning to them.

Love and you will be loved. Extend joy and you will become more joyful. The ancient Talmud says, "God will doubly guide the already guided," and Jesus said, "Give, and it shall be given unto you; good measure, pressed down, shaken together, and running over, shall men give into your bosom. For with the same measure that ye mete withal it shall be measured to you again."

We do not give because God needs the gift but because the giving increases, broadens and deepens the life of the giver. Nor shall we give from the standpoint of duty. The Universe refuses to bargain with us. It already has given us everything it has. But it also has provided that the gift of life can be received in its fullness only as it flows through us to the fullness of others.

How wonderful is this exact balance which God and nature keep; how perfect is the law of Good and how glorious the opportunity to join with the Infinite Giver in the givingness of the self to the joy of life!
